Look at what's  
happened to his body!

We've gotta  
stop him before  
it's too late...

Eh, why should

He also skipped doing  
dishes... so it's your  
turn now.

LET'S GO!

Later.

Stanley, you've gotta  
come back!

Stan! It's nice that you're a hero and all...

But you've got to stop before you blow up!

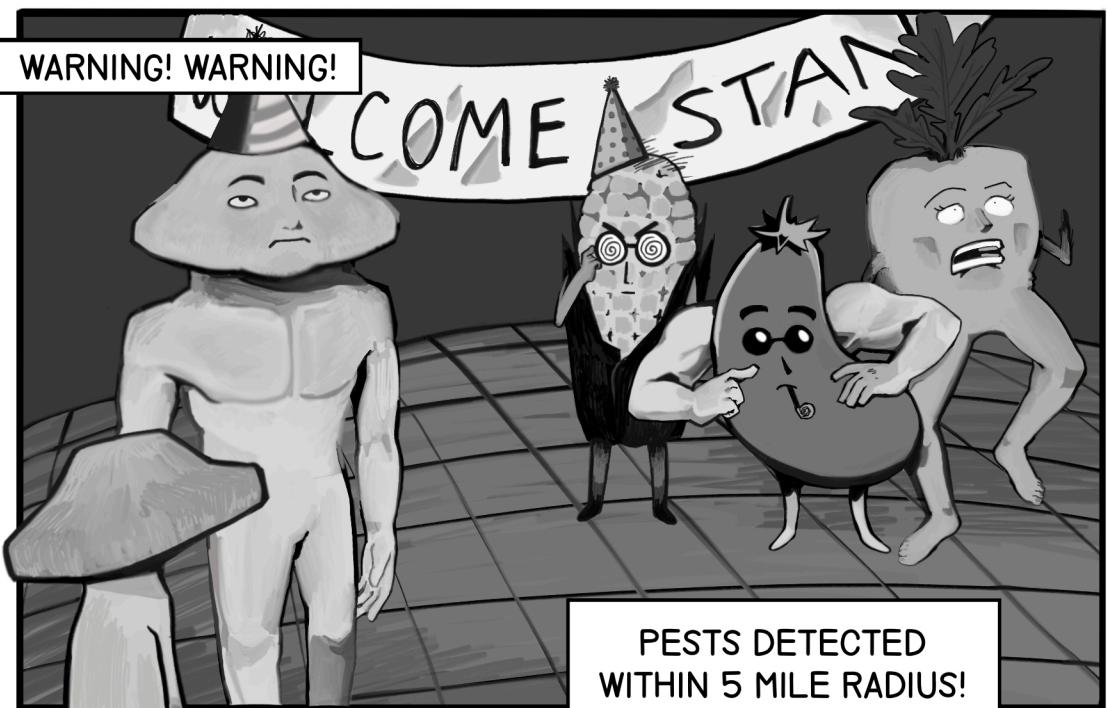

You guys are just saying that so I stop being awesome!

WARNING! WARNING!
